

QUALITY DOORS AND OPENERS

The Phoenix Collection

The outstanding choice for individual beauty and safety

Hörmann Phoenix Collection

Beauty, Choice, Safety

The Hörmann Phoenix Collection offers custom-designed beauty and unsurpassed safety, by pairing unique carriage house door styles with our FingerGuard™ pinch-resistant joints. The virtually maintenance-free Phoenix Collection doors feature a tough steel front and back with polystyrene core, giving an R value of 6.9. A wide range of custom designs is available to complement your home.

No matter which design suits your needs, you will never compromise on quality and safety. **Our new steel doors are manufactured to the highest standards, and come with FingerGuard™ pinch-resistant section joints as standard.**

Deep tongue and groove section joint contribute to the door's **excellent strength**. Intermediate seals prevent air infiltration, which enhances the **insulation** properties.

The steel front and back 3-layer sandwich construction with **insulating polystyrene core** increases energy savings and provides a very smooth and quiet door operation.

Carriage house inlay designs in both **semi-custom and custom configurations** with easy to clean **Rainslope™** woodgrain texture, galvanized and **finish painted steel** provide years of trouble-free performance and beauty.

The bottom weather seal **keeps out wind, rain, debris and other elements** for added energy savings.

Hörmann Exclusive FingerGuard™

Ready for your personal touch

Hörmann Phoenix collection comes in classic white.

You can custom-paint to match your current house colors. For a durable quality finish, we recommend only vinyl-safe paint on vinyl overlays and exterior latex paint for steel sections.

Give your door an individual look
